Response Returned

Technology Stack

Operating System : Windows 11
Container Engine : Docker Desktop
AI Runtime : Ollama
Language Model : Qwen 3 8B
Web Interface : Open WebUI
Access Method : Browser
Deployment Type : Fully Local
Cloud Dependency : None

Security Model

Internet Access : Not Required
Data Storage : Local Device
Model Execution : Local CPU/RAM
External APIs : None
Cloud Processing : None
Remote Access : Disabled
Public Exposure : None
